Milano Certosa, we are glad to offer the sale of a newly built two-room apartment, built within a recently developed project for a total of five residential units. The last two apartments are still available.

Portion No. 2 of approximately 50 m2, located on the first floor, is composed as follows: entrance hall, living room with kitchenette, bedroom and bathroom, each room with a window.

The unit, equipped with double exposure, guarantees great brightness as well as being inserted in a context of great privacy. Each real estate unit is equipped with independent heating and solar panels.

No condominium fees.

The logistics are perfect, given the proximity to surface transport, schools, supermarkets as well as the Portello shopping centre, even more a stone's throw from the great redevelopment of Cascina Merlata, surrounded by greenery, large buildings and the new "Merlata Bloom" shopping center.
