Rustic farmhouse to renovate located in the countryside of Ostuni, known as the "White City", a famous town in the heart of the Itria Valley, in Contrada Casieddi, a road between the towns of Ostuni and San Michele Salentino.

This is a very ancient, unique space of approximately 30 m2, constructed of ancient white stone. It has no bathroom, a window, and a large, exclusive opening. It also includes a useful water cistern.

To be renovated, with vaulted ceilings that have sagged over time. Set amidst a lush olive grove of approximately 4,100 square meters, rich in fruit trees, olive trees, and more.

Attached to the property is a larger rustic farmhouse, comprising two adjoining rooms, each with its own separate entrance and its own land. This property can also be purchased exclusively through our real estate agency.

Once renovated, this property is an excellent option for renting out.

Just a few minutes' drive from both Ostuni and San Michele Salentino, a few minutes' drive from the beautiful sandy beaches of the Ostuni coast, and a few minutes from Ostuni and San Michele Salentino train stations and Brindisi International Airport.
