Detached house with panoramic terrace in the eighteenth-century area of Ostuni, a stone's throw from Piazza della Libertà and in one of the characteristic alleys of Corso Mazzini.

The house has been recently renovated.

A short flight of stairs takes us to the living room with alcove where a double sleeping area has been created, to a large bedroom, currently used as a dressing room / walk-in closet and to the bathroom. Going up further we find a storage room, a kitchen with fireplace and the beautiful terrace on two levels from which you can enjoy a beautiful panorama with sea view.

The house can be lived in all year round as, in addition to the fireplace, it is equipped with a heat pump and air conditioning.
