952 sq.m

PUGLIA - PULSANO - MONTEDARENA LOCATION

In Pulsano in the Montedarena area, a few hundred meters from the splendid beaches of the Litoranea Salentina, we offer for sale a building plot of approximately 952 square meters.

The property is characterized by a flat terrain that allows to make the most of the available space for the construction of a large independent villa or for the construction of solutions suitable for the tourist market.

The land is easily accessible and well served by the main infrastructures, ensuring easy connection with the surrounding towns and the main roads.

Thanks to its strategic position, this building plot offers multiple development opportunities, both for those who wish to build their own home and for those looking for a real estate investment.

The large size allows for the creation of a tailor-made structure, capable of satisfying every need and taste, and to have large outdoor spaces to be used for green areas or for the creation of a swimming pool.
