Galatina – Bright and spacious apartment in central area

In the heart of Galatina, in via Marche, Coldwell Banker Galatina offers for sale an apartment located on the fifth floor of a building with a lift, in one of the most central and convenient areas of the city. The total surface area is 149 square meters, distributed in a functional way and designed to offer livability in every room.

The property is in good condition, already habitable, and is particularly bright thanks to its position and the presence of large openings. The entrance welcomes you into a large and well-defined space, which leads to an airy living-dining room, a separate kitchen and a sleeping area consisting of three bedrooms. The two bathrooms, both complete and recently modernized, perfectly meet the needs of a family.

Two very spacious balconies complete the property: one of which, terraced, represents a real added value, thanks to the generous dimensions that make it perfectly habitable.
