PUGLIA - ANDRIA - VIRGILIO AVENUE

In one of Andria's most strategic areas, precisely on Viale Virgilio, we offer for sale a large covered parking space of approximately 720 square meters, located in the basement.

The solution stands out for its generous dimensions and excellent accessibility, making it ideal for accommodating numerous vehicles or for use as a storage area. The space, featuring a solid structure with regular pillars and wide maneuvering lanes, allows for functional space management and high parking capacity.

The space is equipped with an emergency exit door for added safety, and features a plenum ventilation system to ensure adequate air circulation.

The property also features ancillary areas and internal connections, enhancing its practicality and versatility. This is an attractive opportunity for those seeking a spacious and functional solution in a convenient and well-served location.

Contact us for more information or to schedule an appointment.

We look forward to seeing you at our office in Andria, Via Vittore Pisani, 6A.
