PUGLIA - CISTERNINO - Monte District

In the heart of the Itria Valley, in Cisternino, we offer for sale a characteristic trullo immersed in the quiet of the Apulian countryside, with a renovation project that enhances its charm and potential.

The property comprises one room and stands on approximately 5,226 m² of arable land, in a panoramic position, surrounded by greenery and the typical landscapes of Puglia.

The proposed rendering represents a renovation project, with the possibility of expansion and the construction of an in-ground swimming pool.

A project designed to enhance the authenticity of the trullo, integrating it with functional spaces and modern comforts.

Thanks to its secluded location and natural setting, the property is an excellent choice both as a private residence and as an investment, with the possibility of creating a hospitality facility or holiday home.

A Coldwell Banker Exclusive.

Contact our agency for more information, to view the renovation project, or to schedule a viewing.
